BUSINESS SUPPORT

HIRE PURCHASE AND LEASING SOLUTIONS

Authorised and regulated by the Financial Conduct Authority, JCB Finance offer a range of funding options to business users across the United Kingdom. Working side by side with the JCB dealer network, JCB Finance offer a smooth solution to the funding of your JCB.

JCB FLEXILEASE

As an attractive alternative to traditional Hire Purchase, we'd like to tell you about JCB FlexiLease. It's like leasing with one big difference- any profit on sale will be kept by you. All we ask is that you act as the agent of JCB Finance and sell the equipment within 30 days of the end of the lease term or simply return it to us. With JCB FlexiLease, instalments are often much lower than standard HP payments.

HIRE PURCHASE

Monthly repayments that can be fixed or track a variable rate depending on how you like to do business. The machine is yours once all the payments have been made.

Other facilities are available and with flexible payment options your JCB Finance representative can discuss with you so you have more options when choosing how to fund your new machine.

Call 0800 150650 to speak with JCB Finance. Or visit www.jcb-finance.co.uk

HIREMAX - HIRED OUT PLANT INSURANCE

Hiremax is designed for plant and tool hirers to hire plant out without their customers needing to insure it. Customers using the plant often find it easier to pay a waiver fee instead of having to arrange their own insurance.

PLANTMASTER – CLASS LEADING PLANT INSURANCE

Plantmaster is comprehensive insurance for your machine. Designed and developed by JCB Insurance Services, Plantmaster offers up to 45% discount for JCB security features, Nil Theft excess** and 2 years New for Old cover. It also covers your Road Risks so you can travel on public roads and can even include your third party working risk.

JCB PREMIERCOVER - MORE PEACE OF MIND

JCB PremierCover offers extended protection for every part of your JCB equipment for 5 years as standard and up to 6,000 hours.#

** # see page 37 for details

£200,000 TAX RELIEF

on Plant, Machinery and Commercial Vehicles

The Annual Investment Allowance (AIA)

is a type of capital tax allowance that offers 100% tax relief on qualifying capital expenditure in the year of purchase. This enables businesses to effectively save £1 in taxable profits for every £1 spent.

The Annual Investment Allowance (AIA) tax relief is available on purchases of plant, machinery, commercial vehicles and building fixtures and fittings.

YOU CAN CLAIM AIA AGAINST **HIRE PURCHASE ASSETS** JUST AS IF YOU HAD PAID CASH

The interest charged on Hire Purchase agreements is 100% tax deductible too.

Up to £200,000 of expenditure on business assets (e.g. JCB machines and commercial vehicles) per year is 100% allowable against taxable profits of a business, deductible in the year that you buy them. This accelerates the tax relief rather than the tiered writing down allowances (WDA) normally applied over several years.

HOW DOES THE AIA WORK?

Qualifying Business Expenditure
e.g. £225,000 spent on a combination of machinery, commercial vehicles and building fixtures and fittings in the accounting year.

£200,000
100% offset
against taxable profits
£25,000
at normal WDA
(18% or 8%)

Did you know?

WHO CAN CLAIM AIA?

Nearly all businesses can claim, regardless of their size; sole traders, partnerships and limited companies. The only business structures that can't claim AIA are mixed partnerships (consisting of individuals and companies) and trustees.

WHAT CAN YOU CLAIM AIA ON?

Most assets claimed for business use qualify including; excavators, telehandlers, dumpers and compaction rollers. Cars cannot be claimed under this scheme.

To find out how JCB Finance can help your business save up to £200,000 call 0800 150 650 or visit www.jcb-finance.co.uk

JCB Finance provides asset finance including Hire Purchase facilities for UK businesses but is not a tax or financial advisor – always seek advice from your accountant or tax advisor because every business' circumstances are different. JCB Finance is authorised and regulated by the Financial Conduct Authority.

HM22

Hand Held Breaker (22kg)

Medium-duty for general demolition, concrete and asphalt breaking.

- 22kg weight
- Low vibration levels
- Low noise
- 1500bpm
- Tool size: hex 22mm or 25mm
- Long service life
- Cast steel construction

MRRP
£981

HM25

Hand Held Breaker (25kg)

20LTR TRASH PUMP

Rugged Matter Pump

A rugged submersible pump that handles mud, leaves, twigs, sand and sewage in water.

- Greater lift height
- Self priming and run dry
- Unique combi seal
- Minimal maintenance

MRRP
£1,624

HANDHELD EARTH DRILL

- Capable of drilling holes from 102mm to 305mm in diameter depending on the flight fitted
- 2 man operation
- Automatic return to neutral safety device
- Reversible for powering out of ground for easy retraction

MRRP
£1,763

SD580 ROLLER

Pedestrian Roller

A compact single drum roller for small asphalt work and groundcare duties.

- Proven Honda GX160 petrol engine
- 185kg weight
- 10kN Centrifugal force
- 15 litre removable water tank

MRRP
£4,059

VMR75

Vibratory Rammer

Low maintenance for higher productivity.

- 75kg weight
- 2.6kW Robin engine
- 16kN tamping force
- Low centre of gravity
- Oil bath lubrication

MRRP
£2,265

DISC CUTTER

Hydraulic Disc Cutter

Well-balanced and quiet for cutting metals, concrete and stone.

- Totally enclosed working parts
- Ideal for dirty and dusty conditions
- Low maintenance
- Very quiet
- Adjustable guard
- Stone and metal cutting discs included

MRRP
£1,015

*see page 37 for details

DIAMOND CORE DRILL

Hydraulic Heavy Duty Core Drill

Over three times more powerful than a typical electric drill.

- 600rpm or 2,400rpm
- Side handle
- Can be used under water
- Water hose port for dust suppression and cooling

MRRP
£1,989

VMR60

Vibratory Rammer

Low maintenance for longer working hours.

- 60kg weight
- 2.5kW Honda engine
- 14kN tamping force
- Low centre of gravity
- Oil bath lubrication

MRRP
£2,164

SE10-35

350mm Compaction Plate

For easy and effective compaction of asphalt, soil, and stone blocks.

- Greater manoeuvrability
- Proven Honda petrol engine
- Minimal vibration
- Engine protector
- Protective debris covers

MRRP
£880

UNDERSTANDING THE MANUFACTURER'S RECOMMENDED RETAIL PRICE (MRRP)

- The listed MRRP is JCB's non-binding recommended retail price for a JCB product at the stated specification.
- JCB sells its products through a network of independent authorised dealers and therefore the MRRP is not the selling price of a JCB product.
- JCB dealers are free to sell products at any price they wish which may be higher or lower than the MRRP and the MRRP is only a non-binding recommendation to JCB dealers.
- If you wish to obtain a quotation for a JCB product from a JCB dealer then please use the quotation tool on our website or contact a JCB dealer directly.

JCB FINANCE

This has been approved as a financial promotion by JCB Finance Ltd which is JCB Finance Ltd is authorised and regulated by the Financial Conduct Authority (Firm Reference No. 708332). Registered in England: No.972265. Registered Office: The Mill, Rocester, Staffordshire ST14 5JW. JCB Finance Ltd is our preferred supplier of finance facilities. The finance offers are restricted to business users in the United Kingdom, available from participating JCB dealers, subject to acceptance and affordability checks by JCB Finance Ltd, with a minimum amount financed of £5,000.

The weekly Hire Purchase values used are for illustrative purposes only and are dependent on precise machine specification with monthly payments and a minimum 10% deposit plus full VAT on signing followed by 36 monthly payments. You will own the machine when all payments have been made. A £245 documentation fee is payable with the first payment and a £40+VAT option-to-purchase fee will be collected together with the final payment; these amounts are payable on all HP agreements.

The JCB Flexilease weekly instalments illustrated are based on a 3+33 monthly payment profile with VAT due on each instalment and on the machine working in a medium application for a maximum of 1,000 hours per annum (Teletruk assume 1500 hours per annum and Tandem Rollers and Multi Purpose Compactors assume 500 hours per annum). A £245 documentation fee is payable with the first payment. JCB Flexilease return conditions will apply and you will not own the machine at the end.

JCB INSURANCE

**Nil Theft Excess in the event of a machine fitted with CESAR Registration being stolen and not recovered. JCB Insurance Services Ltd is Authorised and Regulated by the Financial Conduct Authority.

JCB PREMIERCOVER

#JCB PremierCover protection is conditional on fulfilment of a number of important qualifying conditions including that the JCB machine must be serviced by an authorised JCB dealer in accordance with the operator's handbook at all times from new. For full terms of JCB PremierCover please see your local authorised JCB dealer visit www.jcb.co.uk/customersupport.
